**About the American Chesterton Society**

The American Chesterton Society (ACS), founded in 1996, works to promote interest in G.K. Chesterton (1874- 1936), one of the 20th century's greatest writers. Through its popular EWTN television program *The Apostle of Common Sense*, its flagship publication, GILBERT, books, conferences, pilgrimages, and scholarly research, the organization works to bring Chesterton's common sense, profound faith, and joy to a new generation.
