"The Test of the Imagination" is a phrase from "The Ethics of Elfland," the pivotal chapter in Chesterton's masterpiece, *Orthodoxy*. This beloved chapter is chock-full of far-off lands, wonder, magic, and philosophy—and so is this year's Chesterton conference. It doesn't matter how much you know or don't know about G.K. Chesterton. Come join us in sunny Orlando for two-and-a-half days devoted to intellectual stimulation, spiritual edification, and joyful fellowship.
